At a National PTA School of Excellence, families feel welcomed and empowered to support student success, and PTA is a key partner for continuous school improvement.

**What does it take to become a National PTA School of Excellence?**

1. **Enroll** your PTA between May 1 and September 1, 2013 at PTA.org/Excellence or via phone at 800-307-4PTA (4782). You will receive the Getting Started Guide, which describes program components, including your first steps to gather feedback from families and set goals with your school partner.

2. **Conduct** a Family-School Partnership Scan and share your results with National PTA.

3. **Receive** a customized Roadmap to Excellence containing recommendations that respond to your specific results from the Family-School Partnership Scan.

4. **Complete** the National PTA School of Excellence application before June 1, 2014.

5. **Celebrate** your excellence! All National PTA School of Excellence recipients will receive a toolkit to support celebration activities.

**Achieve excellence and qualify for National PTA’s highest honor!**

When awarded a National PTA School of Excellence, you will automatically be considered for the Phoebe Apperson Hearst Award. A Hearst Award recipient will receive:

1. A visit from one National PTA President
2. On-stage recognition and award presentation at National PTA’s Convention and Exhibition
3. **$2,000** to use on future family engagement strategies

**Enroll today!**
As we wind down this school year and start planning for the next remember to take time to celebrate all that was accomplished over the past 12 months, you deserve it! Remember to thank your volunteers for all their efforts as well. We have a lot to celebrate at the state level; Federal and State efforts to allow public funds to be used for private schools (vouchers) were defeated, members of PTA were asked by the Kansas Department of Education to serve on committees that help determine new guidelines for teacher licensure, school district accreditation, and the new educator evaluation protocols, and PTA was sought by the media as experts in the areas of school funding ad student nutrition. Many exciting things, but the work is not done.

To prepare for next year make sure you send in your new officer form to the state office as soon as possible. This allows us to ensure you receive all the amazing resources Kansas and National PTA provide. New this year your unit must also submit a copy of their audit results to be considered a Unit in Good Standing (along with the officer form, memberships as they come in on a monthly basis, and your 990). Your unit must be a Unit in Good Standing to participate in the Reflections and Citizenship Contests, to receive membership awards, or to submit educator/student of the year nominees. An audit should be completed at the change of each administration or any time there is a new treasurer or a concern. Money Matters has some great guidelines for conducting an audit. If you have questions or need help contact your council president, Regional Vice President (Field Service Representative effective 7/1) or the state office. We are all here to help however we can.

Building a Brighter Future, for 100 Years and Beyond.

Kansas PTA is proud to celebrate 100 years of making futures bright for Kansas children! It’s your membership that makes our success. By joining PTA you support your child’s school PTA, Kansas PTA and National PTA. It’s an investment in the future. Help PTA make the futures of Kansas children brighter... Join PTA today.

Join us June 20-23, 2013 at the 117th National PTA Convention and Exhibition in Cincinnati, Ohio

More than 1,000 attendees representing PTA’s nearly 25,000 units will attend to learn, network and become reenergized as volunteer advocates for all children.

This convention will offer a wide variety of high-quality workshops with valuable information, ideas and resources for PTA members to take back to their schools and communities.
FROM YOUR TREASURER

- Makes sure books have been audited before accepting them.
- Has an annual audit conducted immediately following the end of each school year. This may or may not be the same as the end of the fiscal year.
- Submits financial statements and gives treasurer’s report at executive committee meetings, board of directors meetings, and general association meetings.
- Makes sure new signature cards are on file with the bank as soon as the new officers take their positions at school year end or the treasurer changes. Signatures include: both the treasurer’s and president’s name, along with the secretary’s to be used in emergency situations. Banks may require minutes of the election meeting recording names of new officers.
- Ensures all checks have two signatures.
- Serves on the Budget Committee and develops a budget for the upcoming PTA year.
- Makes sure the PTA has proper insurance for the treasurer and officers of the organization. Kansas PTA strongly encourages each PTA unit to have fidelity bond coverage for PTA funds, as well as general liability, directors’ and officers’ liability, to protect the officers and unit.
- Keeps an accurate and detailed account, in the treasurer’s transaction ledger, of all monies received and paid out.
- Keeps records up-to-date.
- Always obtains a receipt for every purchase or other payment made by the PTA.
- Counts money with the person presenting it and issues a receipt promptly. Treasurer is always the third counter.
- Always deposits all monies in a bank on the day received - never leaves money in school or at home. Use a night deposit.
- Records budget line item on deposit slip for record purposes.
- Receives and retains a copy of deposit slip for all deposits made.
- Preserves all check requests, receipts, bank statements, and canceled checks for annual audit.
- Reconciles the monthly bank statement upon receipt (within 10 days of receipt).
- Reviews the books and bank statement with the president on a monthly basis.
- Pays, by check, all authorized bills for items in the budget.
- Never issues a blank check for an unspecified amount.
- Never issues a check made payable to “cash,” and never pays with cash. Checks provide a record of transaction.
- Always registers every check in the checkbook as they are written. Record, on the check and the check stub, the reason for writing the check.
- Keeps PTA funds separate from school and foundation funds. Never deposits any PTA money in any personal account or the school’s accounts.
- Writes checks only for items in the approved budget. Any changes in the budget, or any expenditures not included in the budget, must have the approval of the general membership.
- Checks should not be written to the school or principal unless it is for a budget line item or purchase. Obtains a receipt or invoice for all checks written to the school or principal.
- Files all IRS Forms as necessary: Form N-990 (when gross receipts are less than $25,000) or Form 990 and Schedule A (and Schedule B, if applicable) when grossing $25,000 or more.
- Keeps the State and National portions of dues separate from local funds and sends dues to the state office on a monthly basis using “PTA Dues Transmittal Form”. (Dues to the State and National PTA, incorporation fee, and contributions to scholarships may be included in one check.)
- Is aware of all tax requirements.
- Records available for inspection by an authorized representative of Kansas PTA or National PTA.
- Remits fees for PTA event registration and meals to the state office by stated deadlines (keeps a copy for PTA records).

IMPORTANT: Membership dues are to be submitted to the state office on a monthly basis.

NOTE: ONLY PTA funds may be deposited in a PTA’s bank account. The PTA’s EIN can never be used to open or maintain a personal, school or other group’s account. Likewise, you may not allow another group or organization to use your EIN number or deposit their group’s money in your PTA’s account(s).

Healthy Lifestyles Grant: Energy Balance 101

APPLICATION DEADLINE: Friday, June 28, 2013 at 5:00pm ET/2:00pm PT

National PTA’s Healthy Lifestyles Grants provide local PTAs with tools and resources to use in partnering with schools and engaging families in identifying and addressing barriers or challenges to providing healthy learning and home environments. This fall’s Healthy Lifestyles Grants are funded by the Healthy Weight Commitment Foundation (http://www.togethercounts.com/), which through its 200+ members and partners, seeks to significantly reduce childhood obesity rates by 2015.

The grant focuses on an everyday healthy lifestyle practice known as energy balance. Energy balance is simply finding a balance between the calories we consume and the calories we burn.

Goal
The goal of the Healthy Lifestyles Energy Balance 101 Grant is to provide local PTAs with resources to:

1. Use the Energy Balance 101 curriculum (http://www.togethercounts.com/at-home) to educate families on the importance of energy balance, good nutrition and physical activity in achieving an active, healthy lifestyle;
2. Empower families to partner with schools to advocate for and support the implementation of healthy changes around nutrition and physical activity, and;
3. Provide families with tools to create an environment at home that supports the positive changes at school.

Funding Available
National PTA will award 25 Healthy Lifestyles Energy Balance 101 Grants of $2,000 each to Local PTAs for family education events targeting grades PreK-5 (or schools with grades K-5 such as Pre-K-8/Pre-K-12). Title 1 schools are strongly encouraged to apply.

Grant Terms
Grant funding must be spent between October 1, 2013-April 30, 2014 and must only be used for healthy lifestyles activities proposed in this grant application.

How to Apply
Review the Request for Proposals for additional information about funding requirements, selection criteria, eligibility, key dates and specific application components. Once you have reviewed the Request for Proposals, the online application can be accessed here: http://HL.2013.energyl_balance101.questionpro.com.
